

Here is the URLs and accounts needed to test our application, and advertisements

Demo video URL: <https://www.youtube.com/watch?v=B-WPE7g-tcU&feature>

Old Promocional video: <https://www.youtube.com/watch?v=L5H3R5BYLag>

YouTube Advertisement: <https://www.youtube.com/watch?v=sOn-2HHVYbs>

Business Advertisement: <https://www.youtube.com/watch?v=YsZnrKbg-TY>

Freelancer Advertisement: https://www.youtube.com/watch?v=9r0xZgwZ5_8

Investors Advertisement: <https://www.youtube.com/watch?v=NBqFsxX5emA>

Code Repository URL: <https://github.com/AlejandroMonteseirin/AIM-GAMES-PLATFORM/tree/master4>

Landing Page URL: <https://aim-games-landing-page.herokuapp.com/>

Deployed application URL: <https://aim-games-4.herokuapp.com/>

Heroku credential: correofalso104@gmx.es password: cuentadeherokusprint4--aimgames

Test accounts:

Name	Password	Count Type T	Payment
root	toor	SuperAdmin	-
freelancer1	estoesuntest	Freelancer	No
freelancer2	estoesuntest	Freelancer	No
freelancer3	estoesuntest	Freelancer	No
business1	estoesuntest	Business	15€
business2	estoesuntest	Business	30€
business3	estoesuntest	Business	NO
manager1	estoesuntest	Manager	-
manager2	estoesuntest	Manager	-
manager3	estoesuntest	Manager	-

Remember that a business without a subscription can't use its coins, so if you log like business3 will have to pay one of them in "Manage subscription" menu. CAUTION, because we use a free PayPal account for developers, the confirmation of payment can take some time.

For freelancers the payment is for priority of their curriculum

PayPal count for business registration:
