Here is the URLs and accounts needed to test our application

Demo video URL: https://www.youtube.com/watch?v=B-WPE7g-tcU&feature

Promocional video: https://www.youtube.com/watch?v=L5H3R5BYLag

Code Repository URL: https://github.com/AlejandroMonteseirin/AIM-GAMES-PLATFORM/tree/master3

Landing Page URL: https://aim-games-landing-page.herokuapp.com/

Deployed application URL: https://aim-games-3.herokuapp.com/

Heroku credential: correofalso103@gmx.es   **password:** aimgames3!

Test accounts:

Name	Password	Count Type T	Payment
root	toor	SuperAdmin	-
freelancer1	estoesuntest	Freelancer	No
freelancer2	estoesuntest	Freelancer	No
freelancer3	estoesuntest	Freelancer	No
business1	estoesuntest	Business	15€
business2	estoesuntest	Business	30€
business3	estoesuntest	Business	NO
manager1	estoesuntest	Manager	-
manager2	estoesuntest	Manager	-
manager3	estoesuntest	Manager	-

Remember that a business without a subscription can't use its coins, so if you log like business3 will have to pay one of them in "Manage subscription" menu.

For freelancers the payment is for priority of their curriculum

PayPal count for business registration:

correofalso102-buyer@yahoo.es **password:** aimgamesispp
